

Polyken Flame Retardant Aerospace Carpet Tape

Technical Datasheet

Product Description

POL108FR – Polyken flame retardant aerospace carpet tape.

Features

Good strength and elongation for easy tear, application and removal
Conformable and moisture resistant
Clean removal from most surfaces
Aggressive bond for secure hold
Repositionable adhesive for easy installation
Specifications FAA: FAR 25.853(a)
Application

Carpet installation on interior floors and stairs of aircraft
Hanging and sealing acrylic plastic sheeting
Mounting, bonding, and securing for general machine shop applications
