

# Polyken Flame Retardant Aerospace Carpet Tape

## Technical Datasheet

---

### Product Description

POL108FR – Polyken flame retardant aerospace carpet tape.

#### Features

Good strength and elongation for easy tear, application and removal  
Conformable and moisture resistant  
Clean removal from most surfaces  
Aggressive bond for secure hold  
Repositionable adhesive for easy installation  
Specifications FAA: FAR 25.853(a)  
Application

Carpet installation on interior floors and stairs of aircraft  
Hanging and sealing acrylic plastic sheeting  
Mounting, bonding, and securing for general machine shop applications

#### Commodity Code:

#### Approvals

##### Approvals:

- FAA: FAR 25.853(a)
